D. APPROVAL OF MINUTES:

1. Approval of July 6, 2020 minutes.

E. AGENDA:

1. Community Garden Questions

- Commissioners and staff discussed possible questions to include in survey regarding garden expansion. There are currently 29 plots at the garden. According to the Public Works Director the garden only has the capability to expand by 9 more plots.
- Commissioners created survey questions that will be posted online and in the Fall newsletter. The intent of the questions are to gain feedback about the demand of more garden plots in the community.
- The survey will be released to the public after the garden survey from the garden subcommittee has concluded to avoid confusion.

F. INFORMATION/ANNOUNCEMENT

- Walt Dunlap has resigned from the Parks Commission.
- The September Parks Commission meeting has been cancelled due to Labor Day.
- Next meeting is scheduled for October 5<sup>th</sup>. Commission will discuss survey results and begin discussing the street-scape plan.

<b>Item</b>	Community Garden Survey Results
<b>Descriptions</b>	<p>Community Garden located at Community Park has 29 plots. All the plots are reserved for the summer by new and returning gardeners. Over the last couple of years there has been an increase of individuals the waitlist. Most of the gardeners are returning each year. This does not allow those on the waitlist to rent a garden plot.</p> <p>Returning gardeners are given priority each year to renew their plot rental. If returning gardeners do not wish to renew their rental then the application process is open to Falcon Heights residents. If there are remaining plots after the given deadline to Falcon Heights residents, then the plots can be rented by anyone in surrounding communities. Surrounding communities include St. Paul, Roseville and Lauderdale.</p> <p>At the July 6<sup>th</sup> Parks Commission Meeting, the commission agreed that the garden should be expanded. The overall consensus was to expand the garden by 10 plots. There was also further discussion about gaining community feedback before the garden expansion in order to see if the demand is higher than expected.</p> <p>At the August 3<sup>rd</sup> Parks Commission Meeting, the commission brainstormed survey questions that would go out to current gardeners and the community. The results of the survey will be shared with the commission.</p>

Homeowner	I like that there's an opportunity to compost weeds and scraps. I wonder if it could even be bigger. I think it would be a cool idea to expand the garden and use land between city hall and Larpenteur Avenue. Maybe there would be a different model than 1 Person
