

CITY OF FALCON HEIGHTS, MINNESOTA

PUBLIC HEARING NOTICE

Notice is hereby given that the Falcon Heights City Council will hold a public hearing on October 28, 2020 at 7:00 p.m. at the City Council Chambers, 2077 Larpenteur Avenue West. COVID-19 precautions will be taken including mandatory face coverings and social distancing.

The purpose of the public hearing is to consider the proposed 2021 Pavement Management Project (PMP). The project will include bituminous milling, bituminous paving, and concrete curb and gutter repair. The cost of the improvement is presently estimated at \$1,165,700. The area proposed to be assessed for the improvement shall be all that property abutting or using the streets within the project limits as their primary access.

Information about the proposed 2021 PMP, including a map of streets proposed for the improvements, is available on the City's Website at www.falconheights.org/residents/street-improvements.
