POLICY ITEMS

CITY COMMISSIONS <<<

The City of Falcon Heights has four City Commissions, which serve the City Council in an advisory capacity. Commissioners are volunteers including Falcon Heights residents, local business owners, and business designees who have been appointed by the Mayor and approved by the City Council.

COMMUNITY ENGAGEMENT COMMISSION

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as Human Rights Day and the Ice Cream Social.

The Community Engagement Commission meets on the third Monday of the month at 6:30 p.m. at City Hall.

There are currently THREE vacancies. To apply, [click here](#)

PARKS AND RECREATION COMMISSION

The Parks & Recreation Commission advises the Council on matters related to the operation of the City's public parks and the City recreation program.

The Parks & Recreation Commission meets on the first Monday of the month at 6:30 p.m. at City Hall.

There are currently NO vacancies.

PLANNING COMMISSION

The Planning Commission advises the City Council on matters related to planning, zoning, and land use. Meetings are streamed [live from NineNorth](#) and televised on public access channel 15.

The Planning Commission meets the fourth Tuesday of the month at 7:00 p.m. at City Hall.

There are currently NO vacancies.

ENVIRONMENT COMMISSION

The Environment Commission advises the City Council on matters related to environmental issues, including recycling and waste disposal, community gardens, and storm water runoff. The Commission also develops and recommends implementation of environmentally friendly initiatives such as rain barrels and solar panels, supporting and advancing the City's participation in the [GreenStep Cities](#) program.

The Environment Commission meets the second Monday of the month, 6:30 p.m., at City Hall.

There are currently NO vacancies.

PUBLIC WORKS & <<< COMMUNITY UPDATES

Curtiss Field Hockey Rink

Public Works has started flooding the ice hockey rink at Curtiss Field and they will continue to flood the rink, weather permitting. They are hopeful the rink can open the week of January 15. Residents can call the City's weather line at 651-792-7607 to determine the most up-to-date warming house hours at Curtiss Field during the skating season.

Repairs

Public Works will be making repairs to the fleet as needed.

City Hall

Public Works and City Staff will declutter and organize the basement area of City Hall on Friday, January 12. City Hall will remain open to the public.

Reporting

Public Works will be working on end-of year reporting for Ramsey County.

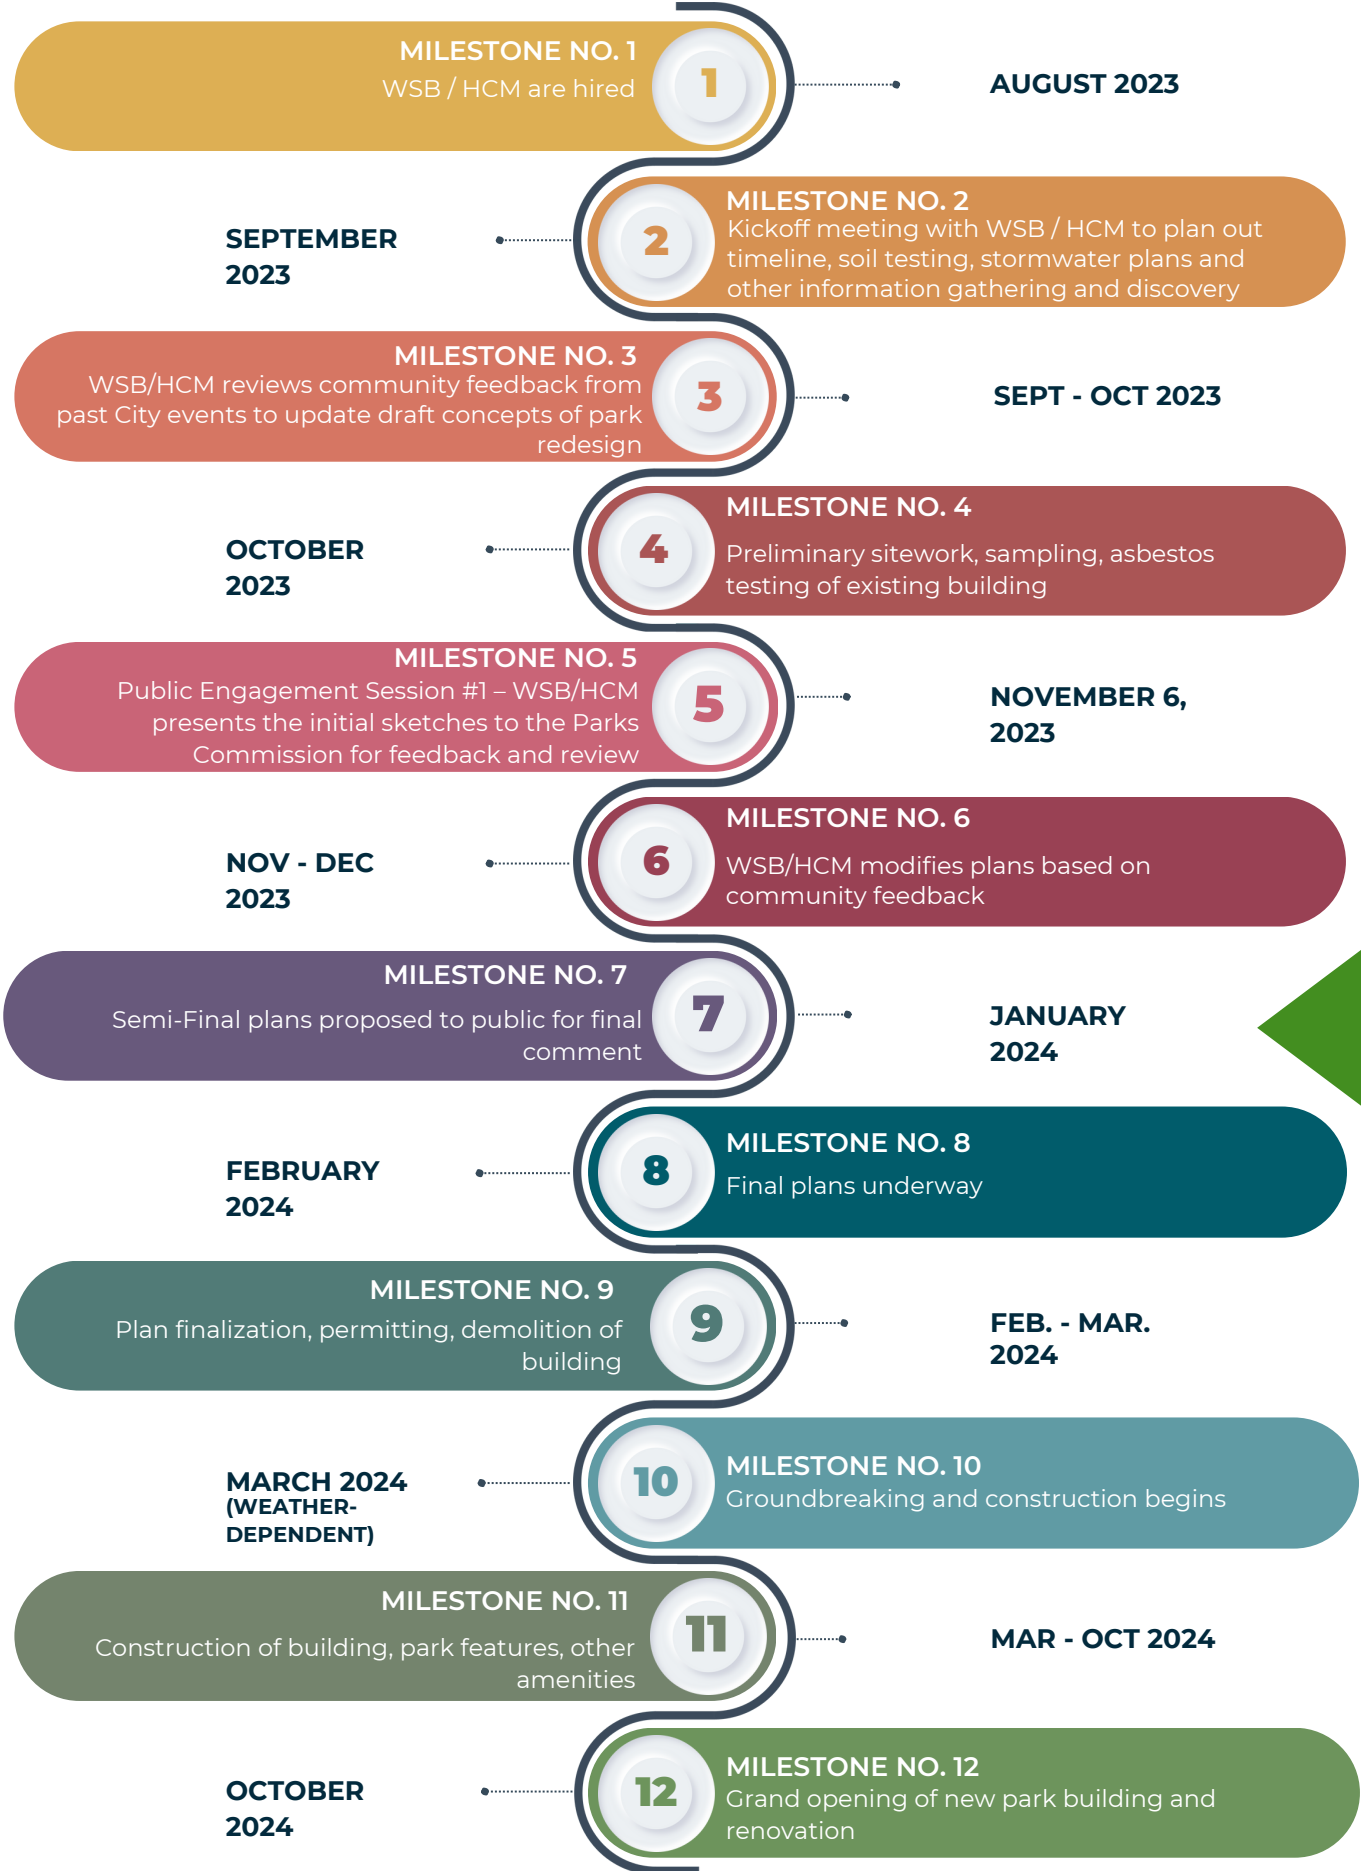

Tips for Managing Snow and Ice From Capital Region Watershed District

- **Shovel, Sweep or Scrape:** Have the proper tools to clear driveways and sidewalks. Remove snow early and often to reduce compacted snow and ice.
- **Swap the Salt:** Try using grit or sand for traction on ice instead of melting the ice with salt.
- **Select the Correct Product:** Road salt only works when the pavement temperature is above 15 degrees. Read the label of your de-icer for usage instructions and temperature. In colder temperatures, use different products like sand or grit.
- **Scatter Salt Sparingly:** A 12-ounce coffee cup holds enough salt to cover a 20-foot driveway or 10 sidewalk squares. Scatter salt grains 3 inches apart. Only use salt on ice! Don't put salt on wet pavement or snow.
- **Save & Reuse:** Sweep up grit and sand or leftover salt to reuse as needed.
- **Use Sunny Days:** Take advantage of sunshine on pavement and work to break up lingering ice and snow with a heavy-duty snow and ice scraper or shovel

COMMUNITY PARK TIMELINE

The timeline is subject to change as the project develops.

Snelling & Larpenteur

CORRIDOR DEVELOPMENT STUDY

Falcon Heights is looking for applicants for three focus groups to serve as participants in the Larpenteur & Snelling Corridor Development Study!

If you are interested, please fill out the [application](#) at the link provided below and we will be in touch with you as soon as selections are made. Thank you so much for your interest!

In early 2023, the City of Falcon Heights applied for and received a grant from Ramsey County to review the two most critical transportation corridors within the city, Snelling Avenue and Larpenteur Avenue. The project is to evaluate the existing land uses along the two corridors and identify areas of potential future redevelopment and reinvestment to meet future housing and business needs.

ZONING

- BUSINESS (B1, B2, B3)
- RESIDENTIAL (R1, R2, R3, R4, R5)
- PUBLIC LAND (P1, P1/R1)
- PLANNED UNIT DEVELOPMENT (PUD)

(MAP IS NOT TO SCALE)

Plastic-Free Challenge

Coming this February

Kickstart Your Plastic-Free Journey: Take the Plastic-Free Challenge

Plastics can be a hassle – they create clutter and can be confusing to recycle – plus they contribute to litter, harm water and wildlife, and have largely unknown health impacts for us. Fortunately, there's a lot we can do to help create a plastic-free world, from learning more about plastic waste and recycling to making simple swaps to advocating for changes in your community and sharing your story with others.

Be part of the solution to reduce waste, protect water and wildlife, address climate change, and look after the health of ourselves and future generations by joining the Plastic-Free Challenge: tcplasticfree.ecochallenge.org

COMMUNITY DEVELOPMENT

Partners in Energy

The City of Falcon Heights has partnered with Xcel Energy and MNCEE to join the Partners in Energy Program.

Energy Action Team Member Application

We are looking for Energy Action Team members to help us develop the Falcon Heights Energy Action Plan. We are very excited to work with stakeholders in our community to create a vision and plan for our energy future.

Partners in Energy is a two-year collaboration with Xcel Energy to develop and implement our community's energy plan goals. This is an opportunity to engage stakeholders, create goals and strategies, and develop a work plan to be successful.

Click [here](#) for the Energy Action Team application.

Community Energy Survey

We are looking for responses from community members to help shape our Energy Action Plan. This plan will build off of the Comprehensive Plan's energy goals, and include extensive community input to the planning process to determine what we, as a community, want to achieve related to electric and natural gas options. We encourage community members to share thoughts on topics including:

- Energy Efficiency - Saving energy through weatherization of homes and buildings and efficient technologies
- Renewable Energy - Wind and solar energy for homes and businesses
- Electric Vehicles - Resident adoption, fleet upgrades and charging infrastructure
- Electrification - Adopting electric heating/cooling and appliance technologies

The outcome of this plan, through your input, will guide the City in reaching its energy goals over the coming years. Click [here](#) to access the survey!

Ready to Save on Your Energy Bills?

One convenient Home Energy Squad® visit is your answer to years of energy savings. We offer two home visit options:

- For homes built after 2000, mobile homes, condos, and renters – Only \$35 (normally \$70)
- For older homes – Only \$50 (normally \$100)

To learn more and to schedule your visit call 651-328-6220, or visit: mncee.org/hes

Free visits available to income qualified households.

Ramsey County Board of Commissioners Approves 2024-25 Budget

On Tuesday, Dec. 12, the Ramsey County Board of Commissioners unanimously approved the 2024-25 county budget.

The budget for 2024 totals \$808,498,799 which represents a 2.9% overall budget increase from 2023. The 6.75% levy increase for 2024 was driven by a shift away from federal and state one-time resources that were available during the emergency pandemic. The budget for 2025 totals \$835,076,779, with an 3.3% budget increase from 2024 and a maximum 4.75% levy increase that is proposed to be reduced once estimates for future cannabis sales tax revenue can be incorporated.

The 2024 budget was mitigated by a \$6 million increase in county program aid from the state of Minnesota. Without this critical support, the levy was estimated to be 1.76% higher. The budget was developed with a resident-centric focus by incorporating key learnings from the COVID-19 pandemic and extensive community feedback received from online comments, phone calls and public hearings.

Community Engagement Session

Join us Monday, January 22 at 6:00 PM at Falcon Heights City Hall for pizza and an interactive experience for the whole family. This event focused on preventing bias and celebrating diversity will be an opportunity to engage with other city residents through fun, engaging, and thought provoking activities.

We are excited to introduce Dr. Ramon Pastrano and Dr. Jonathan Stuart as our guest facilitators. They have done Diversity, Equity and Inclusion and Belonging (DEI+B) training with our city staff, commissioners, and council members this fall, and we wanted to give residents exposure to their unique approach and the chance to join their neighbors in a community-wide training event.

We believe you will leave with new perspectives and a stronger sense of belonging here in the City of Falcon Heights.
