CITY COMMISSIONS <<<

The City of Falcon Heights has four City Commissions, which serve the City Council in an advisory capacity. Commissioners are volunteers including Falcon Heights residents, local business owners, and business designees who have been appointed by the Mayor and approved by the City Council.

COMMUNITY ENGAGEMENT COMMISSION

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as Human Rights Day and the Ice Cream Social.

The Community Engagement Commission meets on the third Monday of the month at 6:30 PM at City Hall.

There are currently TWO vacancies. To apply, [click here](#)

PARKS AND RECREATION COMMISSION

The Parks & Recreation Commission advises the Council on matters related to the operation of the City's public parks and the City recreation program.

The Parks & Recreation Commission meets on the first Monday of the month at 6:30 PM at City Hall.

There are currently NO vacancies.

PLANNING COMMISSION

The Planning Commission advises the City Council on matters related to planning, zoning, and land use. Meetings are streamed [live from NineNorth](#) and televised on public access channel 15.

The Planning Commission meets on the fourth Tuesday of the month at 7:00 PM at City Hall.

There are currently NO vacancies.

ENVIRONMENT COMMISSION

The Environment Commission advises the City Council on matters related to environmental issues, including recycling and waste disposal, community gardens, and stormwater runoff. The Commission also develops and recommends implementation of environmentally friendly initiatives such as rain barrels and solar panels, supporting and advancing the City's participation in the [GreenStep Cities](#) program.

The Environment Commission meets the second Monday of the month at 6:30 PM at City Hall.

There is currently NO vacancies. To apply, [click here](#).

Get Pressed

The City of Falcon Heights received a grant for brownfield investigation from the Minnesota Pollution Control Agency for environmental investigation at the former Get Pressed laundromat site. A brownfield is an abandoned, blighted, or underused property where reuse is complicated by potential or actual contamination. This grant funds investigation of previous uses of the property to support redevelopment and reuse, and the work is performed by MPCA contractors at no cost to the grant recipient.

Environmental field occurred at the Get Pressed site last week. If you have any questions about the process or work taking place, please feel free to contact Hannah Lynch, Community Development Coordinator, at hannah.b.lynch@falconheights.org.

Tree Trimming

Upper Cut Tree Service will begin tree trimming in the University Grove neighborhood starting this week. They will continue to trim trees in Falcon Woods and do minor trimming in the Northome neighborhood.

COMMUNITY <<< EVENTS & UPDATES

Neal Kwong Award

Neal Kwong was a Falcon Heights resident who tragically passed away at the age of fifteen. He was an outstanding member of our community. In his memory, the City established the Neal Kwong Award to recognize young people, ages 12 to 19, who display leadership and volunteerism in Falcon Heights. Nominees must live in or volunteer in Falcon Heights. Parents are encouraged to support their youth by nominating them or by helping neighbors and friends willing to nominate them.

Nominations for the 2024 Award are due no later than Friday, April 26th at 4:30 PM.

The award recipient(s) will be recognized at a Falcon Heights City Council meeting, in this newsletter, and on a plaque in the lobby of City Hall.

For more information on the award and for a link to the application, please visit the [website here](#)

Share Your Input on a Potential Police Services Partnership With St. Anthony Village

City Council Wants Your Feedback

As the Falcon Heights City Council considers a potential partnership with St. Anthony Village's police department, City Councilmembers are looking to hear from residents.

The City of Falcon Heights has been looking for a long-term partner for police services since 2022. In 2022 and 2023, Falcon Heights conducted a study through the Center for Values-Based Initiatives to analyze the City's law enforcement services contract and needs. A series of three focus groups and a randomized resident survey were conducted to gather input on residents' priorities, building upon the extensive community feedback that informed Falcon Heights' Inclusion and Policing Task Force recommendations in 2017.

After carefully analyzing our needs and the available options, a potential renewed relationship with St. Anthony Village could be a good fit that aligns with the values of Falcon Heights residents identified in our previous engagement.

[Read more about the potential partnership.](#)

Community Engagement Opportunities

Over the next several weeks, the Falcon Heights City Council will provide several in-person and virtual opportunities to hear feedback, questions and concerns from residents.

- A [brief online survey](#) is open through April 12.
- Open houses will be held prior to City Council meetings from 6-7 PM on Wednesday, March 13, and Wednesday, March 27, at Falcon Heights City Hall (2077 Larpenteur Ave. W).
- Throughout March, City Council members will talk with residents at a variety of community meetings hosted by local organizations, and will be door-knocking as well. View community engagement opportunities on our [police partnership webpage](#).
- Falcon Heights and St. Anthony Village will also host two joint town halls at 6:30 PM on Wednesday, April 17, at Falcon Heights City Hall(2077 Larpenteur Ave. W.) and Thursday, April 18, at St. Anthony Village City Hall (3301 Silver Lake Rd. NE). This will be an opportunity to learn the results of the community engagement process and provide additional feedback to the two councils as they consider a potential partnership.

We are eager to hear from our residents about this important issue, and we encourage you to participate in as many community engagement opportunities as you would like.

Contact City Administrator Jack Linehan with comments or questions at jack.linehan@falconheights.org or 651-792-7611.

Electric Vehicle (EV) Rebate Program

The MN Department of Commerce is now accepting applications for the Electric Vehicle (EV) Rebate Program. The program launched on February 7, 2024. Completed applications will be reviewed on a first-come, first-served basis. The State of Minnesota has limited funds for the EV rebate. Please be aware that each rebate application will be processed individually to ensure program integrity. This means payments will not happen immediately.

For more information, click [here](#).

BikeMN Electric-Assisted Bicycle Rebate Program

The 2023 Minnesota Omnibus Transportation Policy and Finance bill includes the creation of a new Electric-Assisted Bicycle Rebate Program. Since this is a brand new program that will be administered by the State of Minnesota, the specifics of when and how the program will work are yet to be determined. The amount of the rebate will be reduced based on your adjusted gross income. Therefore you will have to apply for a rebate certificate through the Minnesota Department of Revenue.

BikeMN will monitor the development of the program and share when the state will be ready to start taking applications and the details of how to apply with our members via email. BikeMN will also post it on our blog and in our e-news as soon as the details are announced.

More information can be found [here](#).

Highway 36 Study

MnDOT is looking ahead to the future of Hwy 36 in Roseville, Little Canada and Maplewood. While this 8-mile segment is not directly located in Falcon Heights, it is a vital route for many residents.

In 2023, MnDot heard from more than 1,700 people who shared more than 5,000 comments about the future of Hwy. 36. The team has now developed ideas for improvements. Share your input on ideas for the future of Hwy 36 by taking their [online survey](#)! The survey is open until Sun, March 17 at 11:59 PM

Hunting & Fishing Licenses

Now is the time of year for anglers and hunters to buy new fishing and hunting licenses. Minnesota fishing, hunting and trapping licenses for 2023 expire Thursday, Feb. 29. Licenses for 2024 are now available wherever fishing and hunting licenses are sold, online (mndnr.gov/buyalicense) and by telephone at 888-665-4236. Online buyers can print the license or choose to receive a text or email that when displayed on a mobile device serves as proof of a valid fish or game license to state conservation officers.

All 2024 fishing licenses become effective Friday, March 1. New licenses are required to participate in 2024 hunting and fishing seasons that continue past Feb. 29.

Snelling & Larpenteur

CORRIDOR DEVELOPMENT STUDY

In early 2023, the City of Falcon Heights applied for and received a grant from Ramsey County to review the two most critical transportation corridors within the city, Snelling Avenue and Larpenteur Avenue. The project is to evaluate the existing land uses along the two corridors and identify areas of potential future redevelopment and reinvestment to meet future housing and business needs.

The City received applications for a focus group as participants in the study and they had their first meeting on February 26, 2024

Partners in Energy

The City of Falcon Heights has partnered with Xcel Energy and MNCEE to join the Partners in Energy Program.

Energy Action Team Member Application

We are looking for Energy Action Team members to help us develop the Falcon Heights Energy Action Plan. We are very excited to work with stakeholders in our community to create a vision and plan for our energy future.

Partners in Energy is a two-year collaboration with Xcel Energy to develop and implement our community's energy plan goals. This is an opportunity to engage stakeholders, create goals and strategies, and develop a work plan to be successful.

Click [here](#) for the Energy Action Team application.

Community Energy Survey

We are looking for responses from community members to help shape our Energy Action Plan. This plan will build off of the Comprehensive Plan's energy goals, and include extensive community input to the planning process to determine what we, as a community, want to achieve related to electric and natural gas options. We encourage community members to share thoughts on topics including:

- Energy Efficiency - Saving energy through weatherization of homes and buildings and efficient technologies
- Renewable Energy - Wind and solar energy for homes and businesses
- Electric Vehicles - Resident adoption, fleet upgrades and charging infrastructure
- Electrification - Adopting electric heating/cooling and appliance technologies

The outcome of this plan, through your input, will guide the City in reaching its energy goals over the coming years. Click [here](#) to access the survey!

Ready to Save on Your Energy Bills?

One convenient Home Energy Squad® visit is your answer to years of energy savings. We offer two home visit options:
