CITY COMMISSIONS

The City of Falcon Heights has four City Commissions, which serve the City Council in an advisory capacity. Commissioners are volunteers including Falcon Heights residents, local business owners, and business designees who have been appointed by the Mayor and approved by the City Council.

COMMUNITY ENGAGEMENT COMMISSION

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as Human Rights Day and the Ice Cream Social.

The Community Engagement Commission meets on the third Monday of the month at 6:30 PM at City Hall.

There are currently no vacancies.

PARKS AND RECREATION COMMISSION

The Parks & Recreation Commission advises the Council on matters related to the operation of the City's public parks and the City recreation program.

The Parks & Recreation Commission meets on the first Monday of the month at 6:30 PM at City Hall.

There are currently no vacancies.

PLANNING COMMISSION

The Planning Commission advises the City Council on matters related to planning, zoning, and land use. Meetings are streamed [live from NineNorth](#) and televised on public access channel 15.

The Planning Commission meets on the fourth Tuesday of the month at 7:00 PM at City Hall.

There are currently no vacancies.

ENVIRONMENT COMMISSION

The Environment Commission advises the City Council on matters related to environmental issues, including recycling and waste disposal, community gardens, and stormwater runoff. The Commission also develops and recommends implementation of environmentally friendly initiatives such as rain barrels and solar panels, supporting and advancing the City's participation in the [GreenStep Cities](#) program.

The Environment Commission meets the second Monday of the month at 6:30 PM at City Hall.

There are currently no vacancies.

Dealing with Identity Theft

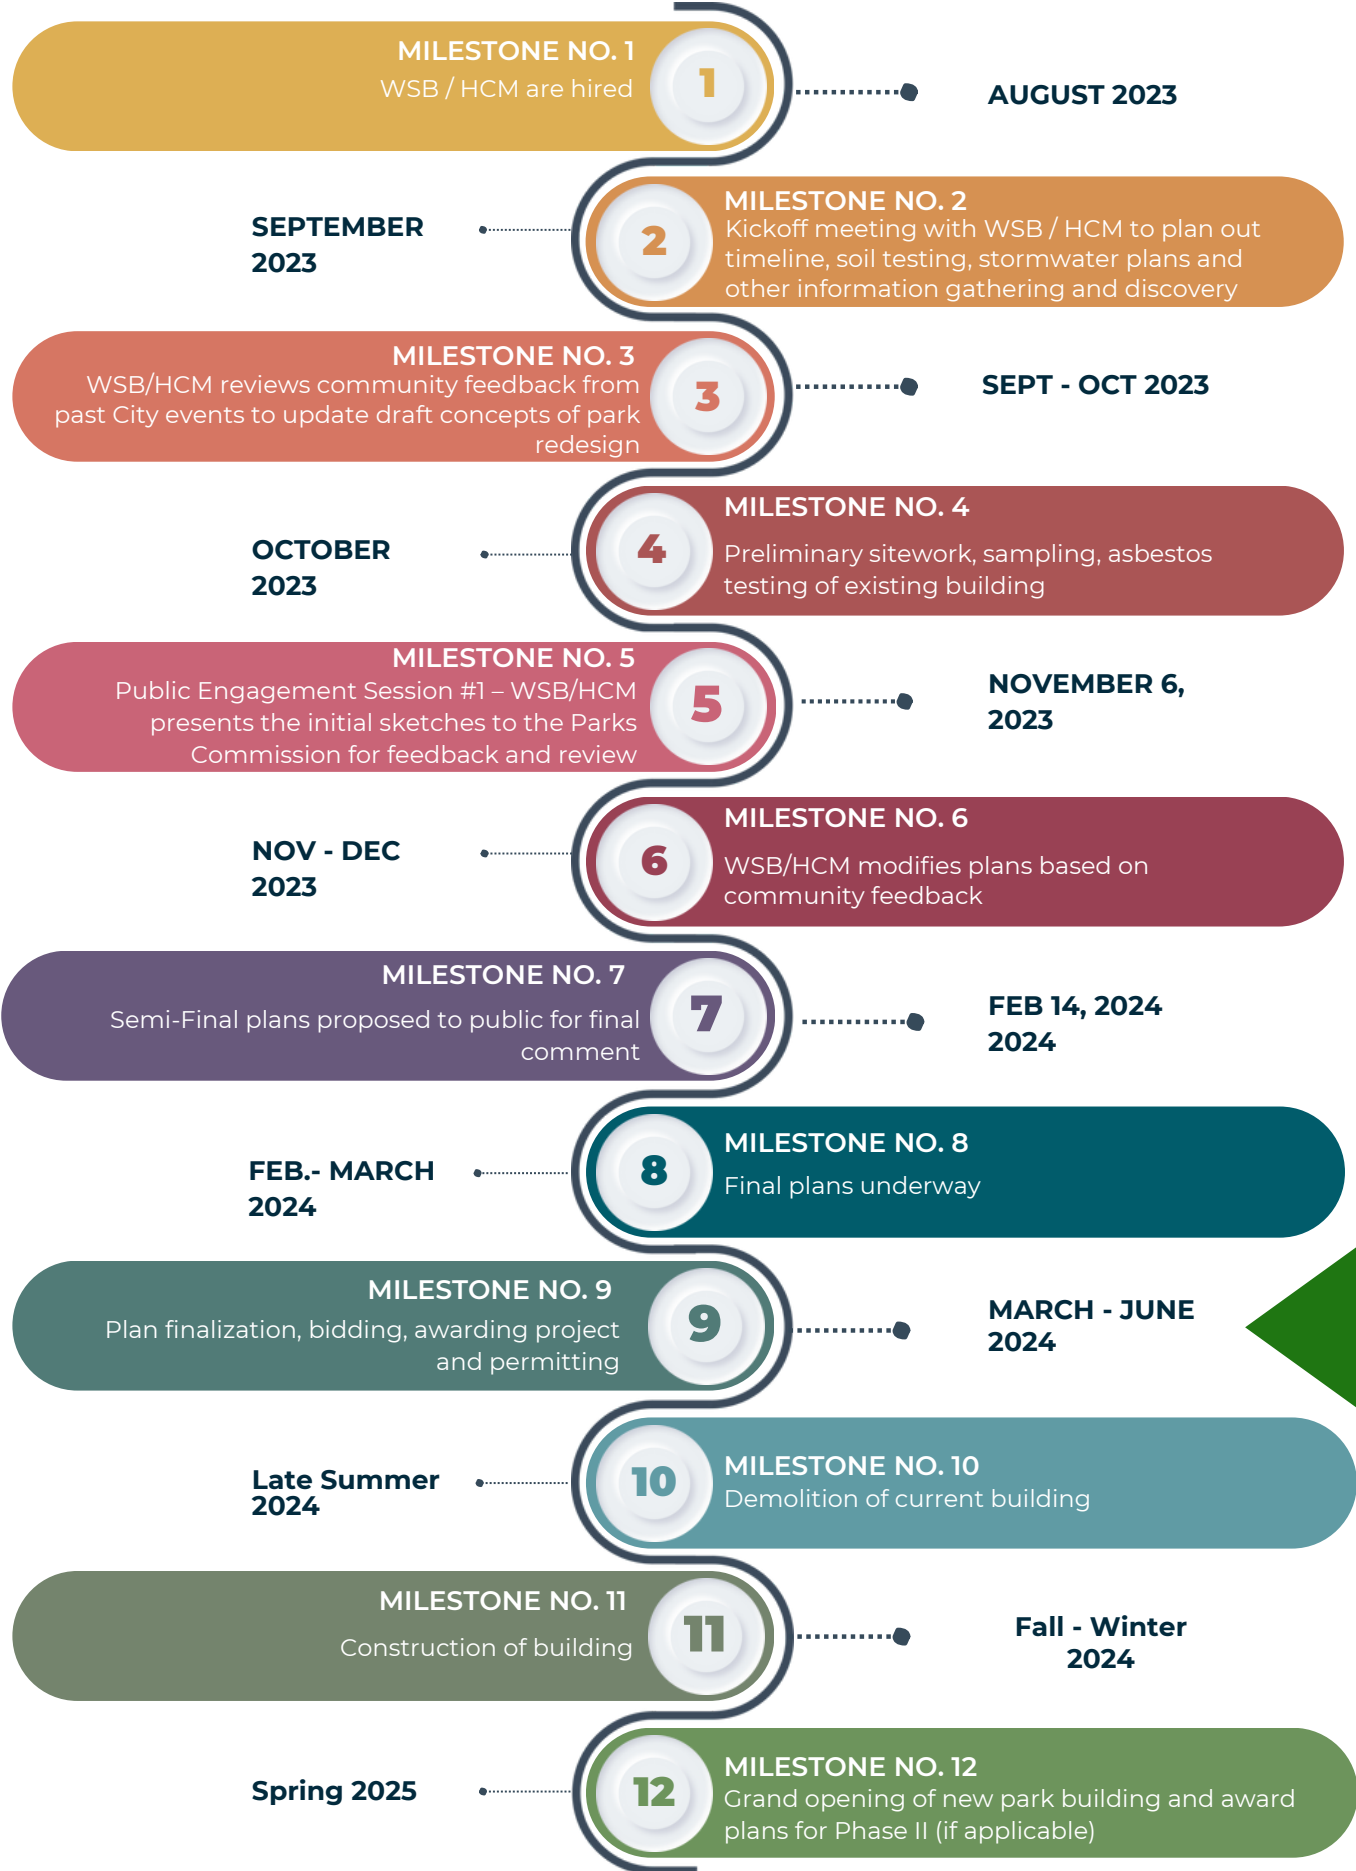

Thursday, May 16, 6-7:30 PM
Online event

Knowing what to do if your identity were stolen is important because an identity thief can hijack your tax refund, alter your medical records, prevent you from getting credit or a job, and even borrow money in your child's name. This seminar covers what identity theft is, how to protect your identity to avoid theft, and clear steps to take if it happens to you.

Falcon Heights and St. Anthony Village City Councils Vote to Proceed with Police Partnership Negotiations

Last week, the Falcon Heights and St. Anthony Village City Councils both voted to proceed with continued exploration of a police services partnership between the two cities beginning in 2026.

Falcon Heights has been in conversations with St. Anthony Village about renewing a police services partnership since earlier this year. In February, the two City Councils held a joint workshop and directed staff to get feedback from both communities, as well as the St. Anthony Police Department (SAPD), before deciding to proceed. That engagement, which occurred over the last six weeks, included a survey, one-on-one conversations with residents, conversations with SAPD officers through an outside consultant, and two town halls where community members provided thoughts and feedback.

Next steps

City staff will begin negotiations and develop contract language over the next several months, which will include looking into key questions from City Councilmembers. As a part of this process, Falcon Heights will also explore options for police services in 2025. City staff anticipates having contract details ready for City Council review by late summer, in alignment with the annual budgeting process. A final vote on whether to proceed with a contract is expected sometime this fall.

We are incredibly grateful to those who shared their thoughts and feedback with us as we initially evaluated this opportunity to reengage with the St. Anthony Police Department. As we move into the next phase of this process, we will continue to provide updates and welcome your feedback.

COMMUNITY DEVELOPMENT

75th Anniversary

On April 1, 1949, by a vote of 5 to 1, the citizens rejected petitioning either Roseville or St. Paul for annexation and chose instead to establish their own independent village government. The incorporation of the Village of Falcon Heights brought in all of the remaining unincorporated areas of Rose Township, including the State Fairgrounds, University of Minnesota Campus Golf Course, and Test Fields. In 1973, the Village of Falcon Heights became a city.

To celebrate 75 years since officially becoming "Falcon Heights", the City is working on plans to honor the occasion. If you are interested in participating in the celebration planning, please fill out a form on our [website](#).

Compost bin sale - save \$20

The Recycling Association of Minnesota is selling compost bins for \$76 plus tax this year before the discount. Ramsey County residents can receive a \$20 discount. Order online at RecycleMinnesota.org and enter promo code "Ramsey."

Snelling & Larpenteur CORRIDOR DEVELOPMENT STUDY

In early 2023, the City of Falcon Heights applied for and received a grant from Ramsey County to review the two most critical transportation corridors within the city, Snelling Avenue and Larpenteur Avenue. The project is to evaluate the existing land uses along the two corridors and identify areas of potential future redevelopment and reinvestment to meet future housing and business needs.

The City received applications for a focus group as participants in the study and they had their first meeting on February 26, 2024

For more information and to follow the progression of the study, click [here](#)

PUBLIC WORKS & <<< COMMUNITY UPDATES

State Fair Task Force 2.0

Following the tremendous work done by State Fair Task Force 1.0 in 2023, the City Council determined that the City should again create a task force to continue and finish the work started by the previous task force.

The task force will meet monthly or as needed to review the necessary policies in 2024 and 2025 with a sunset date of December 31, 2025 unless extended by the City Council.

If you are interested in participating, please fill out the interest form [here](#).

MN Department of Transportation Highway 36 Study

MnDOT is conducting a study of Highway 36 from I-35W to the Bruce Vento Trail crossing just past English Street. This study will recommend future alternatives for improvement to multiple facets of the highway. Now in Phase Two of the study, MnDOT is evaluating different alternatives for improvements to Hwy 36 and the cross streets and wants to hear specifically from the bike walk community. There will be a virtual meeting on Thursday, May 16 at 6:30 PM. Please join MnDOT to help provide input for those who walk and bike near Hwy 36.

Registration is required for this meeting. Please register for the meeting [here](#). After registering, you will receive the Zoom link.

Larpenteur Avenue Lighting Project

The Falcon Heights Larpenteur Avenue Lighting Project started last week and consists of removing and replacing 34 decorative light poles on Larpenteur Avenue from Fry Street to Arona Street. The proposed lights are decorative LED and will have a single light head and arms for decorative banners. The lights are DarkSky International-approved and will help significantly improve lighting in the corridor without unnecessary light pollution.

For more information about the project, click [here](#).

Stormwater

This summer, Public Works will rehab stormwater catch basins and vaults. They will start in the University Grove neighborhood and work east.

Mowing

Public Works will be mowing city-maintained grass, as needed as well as weed-whip all parks and medians.

Falcon Heights Monuments

Public Works will begin restoring the Falcon Heights monuments by removing the glass and pane frames and fabricating new pane frames, when necessary.

Sidewalk

Public Works will begin marking sidewalk panels that need replacement.

Ramsey County A to Z Green Guide

Meet the A to Z Green Guide: Ramsey County's new and improved disposal directory.

Ever wonder how to get rid of that old mattress or expired motor oil in the garage? Look it up in the [A to Z Green Guide](#)! The A to Z Green Guide (formerly A to Z Recycling & Disposal Guide), is an online disposal directory that gives disposal information specific to Ramsey County residents for hundreds of household items.

To use the guide, simply type in the item you want to dispose of in the search bar and a list of disposal options will appear, with the most environmentally-friendly options listed first.

You can now suggest a new item by scrolling to the bottom of the page and clicking the button/text "Suggest [item name] as a new item." Our staff will work to add it to the directory.

Meanwhile, you can call the recycling and disposal hotline at [651-633-3279](tel:651-633-3279) (EASY) or [send Ramsey County a message](#).

First Half of 2024 Property Tax Payments due May 15

The first half of 2024 property tax payments are due Wednesday, May 15. If your tax is \$100 or less for real property or \$50 or less for personal property, it must be paid in full by May 15.

Payment options

Payments will be accepted via U.S. mail, at secure form drop-off locations and electronically. An online payment portal for property tax is available now.

- Pay online
- Pay by mail, in person or drop box

Payments must be postmarked on or before May 15 to avoid penalty. Checks and money orders should be made payable to Ramsey County.

A one-time late payment penalty waiver program is available to taxpayers. It may be used one time every ten years. It applies even if a property owner has used the one-time waiver in the past, and it will not impact the ability to use the waiver in the future.

More information on property tax payments can be found [here](#).

COMMUNITY DEVELOPMENT

PARTNERS IN ENERGY An Xcel Energy Community Collaboration

The City of Falcon Heights has partnered with Xcel Energy and MNCEE to join the Partners in Energy Program.

Partners in Energy is a two-year collaboration with Xcel Energy to develop and implement our community's energy plan goals. This is an opportunity to engage stakeholders, create goals and strategies, and develop a work plan to be successful.

The City needs your help! We are looking for responses from community members to help shape our Energy Action Plan.

Take our Community Energy Survey

The outcome of this plan, through your input, will guide the City in reaching its energy goals over the coming years.

More information about the partnership can be found [here](#).
